### **Local Meal Charge Policy**

#### Charging Procedure

Students at Sharon-Mutual Public Schools are permitted to charge meals. Students who charge meals will receive the same choices for meals they would get if they had money in their account. Once charges have reached \$25 parents will be given notice of their bill. Students will still be allowed to charge even if the parent has not paid the bill.

Parents should pay their account by the end of each school year.

All students must have paid their lunch bill before they can receive their diploma.

#### Meal Assistance

Meal assistance is available through the Federal Free and Reduced Priced Meal Application. Those forms are available through the HS office. You may contact Trisha Thompson if you have any questions at (580) 989-3231.

#### Notification Procedure

Elementary School: Account information will be sent home in students' folders.

JH/HS: Parents will be mailed account information.

A copy of this policy will be given to each parent at enrollment and posted on our website. All school personnel will be notified of this policy.
